Kathembo.dieudonne@strathmore.edu

Nationality: Republic Democratic of the Congo

I. Career Objectives

As an enthusiastic and adaptable student with a foundation in philosophy, theology, and computer engineering, I am eager to gain hands-on experience in the Information Technology field. My four years at Strathmore University have equipped me with a theoretical background, which I am now keen to apply and deepen through real-world industry experience. I aim to enhance my practical skills, expand my engineering knowledge, and contribute positively within a dynamic learning environment.

II. Educational Background

Year Of Study	Institution
2000-2006	Institut Buyori Certificate of Secondary Education
2011-2013	Université de l'Assomption au Congo (previously called ISEAB) Bachelor of Philosophy
September-December 2014	The Language Center LTD English as the Foreign Language (Kenya)
2015-2018	Hekima University College Bachelor of Theology (Kenya)
January to December 2020	Strathmore University Diploma of Business Technology
2021-2024	Strathmore University Bachelor of Science in Computer Engineering and Sciences

III. Work Experience

From 2007 to 2010

- Teaching in secondary schools (Institut Tutunge, Institut Lume Masighe and Institut Technique de Mahamba) all in DRC

From 2018 to 2023

- Working at Bayard Press Nairobi as the editorial secretary

From January to March 2021

- Professional Training in Ouagadougou-Burkinafaso at Living with Christ Africa Company in relation with my work of editorial secretary at Bayard Press Nairobi.

From 2018 to date

Working as a catholic missionany priest.

From September to December 2024

Participating in an international academic exchange program at ISEN-Junia (Institut Supérieur de l'Électronique et du Numérique) in France as part of the partnership between Strathmore University (Kenya) and Junia University (France).

Computer Proficiency Skills

During my academic training, I developed an interest in completing projects using the following languages and tools: HTML, CSS, Bootstrap, PHP, Python (Django), Java, and MySQL Database. I also have basic data analysis skills using R and Python libraries.

Languages:

Fluent in French, English, and Kiswahili, with basic proficiency in Spanish.
